

# ***Centenary Weekend Camp @ PGL***

***30th April – 3rd May***

***Little Canada, Isle of Wight***

Little Canada is Set in 48 acres of woodland on the banks of Wootton Creek, with log cabin style accommodation.

The center has a fantastic range of activities including high and low ropes courses, abseiling towers, an archery range, giant swing and the creek for dragon boating and other watersports. We also use the beach, just a short walk away, for canoeing, kayaking and many of the activities on the wet and wild holiday. There are also two 10m climbing and abseiling walls, an indoor swimming pool, the mysterious matrix and lots more
